Important Note: These offers are only valid with the purchase of a qualifying product during the Southampton Boatshow 2014 from Digital Yacht authorised distributors and dealers. Digital Yacht will process, invoice and ship the upgrade order direct with the customer. Included with all qualifying products is an upgrade voucher to be completed by the customer and returned to Digital Yacht. The offer products will be shipped upon receipt of a completed voucher. Global freight is included as well as UK and EU VAT. The customer is responsible for any local taxes paid outside these markets.

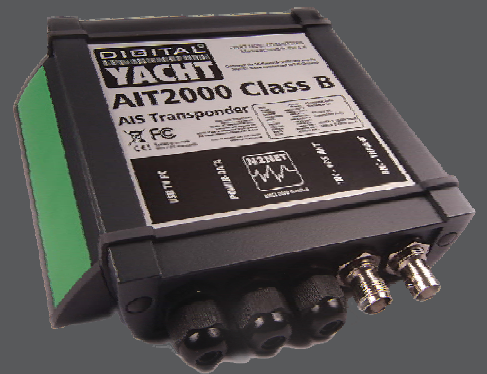

Trade In

ANY AIS RECEIVER AND GET

£50

CASH BACK

Trade in any AIS receiver and get £50 cash back from Digital Yacht against the purchase of a new AIT2000 Class B transponder. Simply return your old AIS receiver in any condition with the voucher and copy of your AIT2000 receipt from the show to qualify and get £50 cash back via cheque or transfer.
