

## January 2019 - Euro Price List Summary - € Ex VAT

Digital Yacht 2018 is all about next generation navigation, communication and entertainment systems for your boat. Boating should be fun, safe and affordable and all our products integrate existing and new boat networks to bring a powerful dimension to your on board electronics.

We offer advanced navigation systems with GPS, AIS and compass sensors as well as wireless integration of tablets, phones and iPads for navigation with our wireless gateway and server products. Our WL series of hi power wifi access systems allow fast and cost effective internet access while afloat and our new iCommunicate gateway brings next generation Signal K connectivity to your boat's navigation systems. Welcome to Digital Yacht 2019!
